# Five Sponsorship

It means supporting a city. It means supporting a culture. But above all, being a sponsor of **Five** means supporting an idea - an idea that geography alone does not determine a world-class culinary experience. All it takes is the right talent and the right passion, and a little help and encouragement from the people that believe in you.

# The James Beard Foundation

The James Beard Foundation is a national not-for-profit organization based in New York City, dedicated to celebrating, preserving, and nurturing America's culinary heritage and diversity in order to elevate the appreciation of our culinary excellence. Named after James Andrew Beard, known as "The Dean of American Cookery," few other organizations have contributed more to the culinary arts in America. To be recognized by the James Beard Foundation is truly an honor reserved for the culinary elite.
